I hope you're ready
Great times are coming
I hope you're ready
I see them coming around
I hope you're ready
Great times are coming
I hope your ready
I see them coming around

Lets celebrate the good times
Celebrate the good times
Celebrate the good times
I just want to have myself a good time

Make some noise
Make some noise
Make some noise
Make some noise

I'm ready for the good time, good time, good time
I'm living for the good time, good time, good time
I'm living for the good time, good time, good time
I'm living for the good time, good time, good time

Everybody in the place to be
Make some noise.....
