I wish today it will rain all day
 maybe that will kinda make the pain go away
 trying to forgive you for abandoning me
 praying but I think I'm still an angel away
 angel away, yeah strange in a way
 maybe that is why I chase strangers away
 they got their guns out aiming at me
 but I become near when they aiming at me
 me, me, me against them
 me against enemies, me against friends
 somehow they both seem to become one
 A sea full of sharks and they all see blood
 they start coming and I start rising
 must be surprising, I'm just summising
 win, thrive, soar, higher, higher, higher
 more fire

I came to win, to fight, to conquer, to thrive
 I came to win, to survive, to prosper, to rise
 to fly
 to fly

Everybody wanna try to box me in
 suffocating everytime it locks me in
 paint they own pictures than they crop me in
 but I will remain where the top begins
 cause I am not a word, I am not a line
 I am not a girl that can every be defined
 I am not fly, I am levitation
 I represent an entire generation
 I hear the criticism loud and clear
 that is how I know that the time is near
 so we become alive in a time of fear
 and I aint got no muthaf-cking time to spare
 cry my eyes out for days upon days
 such a heavy burden placed upon me
 but when you go hard your nay's become yay's
 Yankee Stadium with Jay's and Kanye's

I came to win, to fight, to conquer, to thrive

Get ready for it(3)
 I came to win
 get ready for it(3)
 I came to win

I came to win, to fight, to conquer, to thrive
