When I was your woman
 And you was my man
 I tried to share my world with you
 But you was still I don't give a damn
 You just tell I was pretty

And if that's all that I am
 It's like you never even knew me
 Or tried to get know me
 Was just an accesory
 Oh can't believe
 How you make me feel pretty

Pretty upset
 Pretty broken
 I feel so pretty
 Pretty messed up
 Pretty much done
 Now without you, super pretty
 I will never be pretty messed up
 I don't wanna be pretty no more
