30 this is the last time Cause you and I we were born to die

Lost but now I am found  
 I can see but once I was blind  
 I was so confused as a little child  
 Tried to take what I could get  
 Scared that I couldn't find  
 All the answers, honey

Don't make me sad, don't make me cry  
 Sometimes love is not enough and the road gets tough  
 I don't know why  
 Keep making me laugh,  
 Let's go get high  
 The road is long, we carry on  
 Try to have fun in the meantime

Come and take a walk on the wild side  
 Let me kiss you hard in the pouring rain  
 You like your girls insane  
 Choose your last words,  
 This is the last time  
 Cause you and I  
 We were born to die  
 We were born to die  
 We were born to die

Come and take a walk on the wild side  
 Let me kiss you hard in the pouring rain  
 You like your girls insane

Don't make me sad, don't make me cry  
 Sometimes love is not enough and the road gets tough  
 I don't know why  
 Keep making me laugh,  
 Let's go get high  
 The road is long, we carry on  
 Try to have fun in the meantime

Come and take a walk on the wild side  
 Let me kiss you hard in the pouring rain  
 You like your girls insane  
 Choose your last words  
 This is the last time  
 Cause You and I  
 We were born to die  
 We were born to die
