Eve-ry-bo-dy lives for love

2. Oh what are you really looking for?
 Another partner in your life to abuse and adore?
 Is it lovey dovey stuff, do you need a bit of rough?
 Get on your knees

 Yeah turn down the love songs that you hear
 'Cause you can't avoid the sentiment that echoes in your ear
 Saying love will stop the pain, saying love will kill the fear
 Do you believe? You must believe

Rap: I spy with my little eye
 Something beginning with (ah)
 Got my back up
 And now she's screaming
 So I've got to turn the track up
 Sit back and watch the royalties stack up
 I know this girl she likes to switch teams
 And I'm a friend but I'm living for a love supreme
